RETOUCH + MANIPULATION

Turning ideas into immaculate visuals with finesse:

- **Background Magic:** Seamlessly extend backgrounds to create a perfect visual flow.
- **Reflection Taming:** Reduce high reflections and remove studio equipment for a polished, distraction-free finish.
- **Client-Driven Edits:** Following client markups with precision, ensuring every detail is exactly as envisioned.
- **Image Manipulation :** From subtle adjustments to dramatic transformations, we bring creativity and technical skill to every pixel.

RECOLOR

IMAGE ENHANCING

- **Basic Retouching:** Skillfully execute basic markups, refining every detail to meet your exact specifications.
- **Background Enhancement:** Elevate backgrounds to match provided samples, seamlessly blending creativity with consistency.
- **Color Harmony:** Maintain a consistent color tone across each image set for a cohesive and polished presentation.
- **Imperfection Removal:** Retouch and eliminate flaws to ensure every image looks flawless and professional.

GHOST MANNEQUIN

Crafted with precision, perfected with care:

- **Mannequin Removal:** Flawlessly remove mannequins and composite interiors for a clean, natural look
- **Shadow Retention:** Maintain authentic shadows to preserve the depth and realism of each image.
- **Sleeve Preservation:** Skillfully keep sleeves intact while ensuring they are symmetrical in length for a balanced appearance.
- **Wrinkle Reduction:** Smooth out wrinkles for a polished, fabric-perfect finish.
- **Dust & Scratch Removal:** Eliminate dust and scratches to enhance overall image quality.
- **Consistent Margins:** Maintain even margins across all images for a professional and cohesive presentation.
